NOTES FROM OUR COUNSELORS

My campers were amazingly polite and kind at camp. They always said 'please' and 'thank you' to everyone and were always on their best behavior! From the moment they stepped in my cabin they were very inclusive with some of the shy campers.

I had a camper who wanted to lead one of her parents to Christ. We wrote out plans to share the gospel and memorized verses to support it, and then we prayed together to give her not only the opportunity, but to let the Holy Spirit give her the courage to take advantage of that opportunity to lead her parent to salvation. I've never seen so much love and forgiveness in a child and it was amazing to be able to support her and help her see how many ways we can share Jesus!

ANOTHER HAPPY CAMPER

My son has been to this camp two years in a row now and he LOVES it!! The friends he is able to make and the confidence in becoming more independent with Christian guidance are essential ingredients for his future. Thank you for helping contribute to him becoming a fine young man by providing this affordable opportunity to learn and grow!! I know he will always look back on camp with fond memories! Until next time...

LETTER FROM OUR ^{fearless!} DIRECTOR *Timberwolf*

This past summer, the campers and staff of Cedarbrook Camp got to live out the theme of being connected to God, to each

other and to our world. Days were packed with fun-filled activities. Things we once took for granted, like trips to the lake, special moments around the campfire and sleeping under the stars were all part of the experience. Campers were challenged, both physically and spiritually, and our wonderful, dedicated staff was there to serve them and be a blessing to each other.

Our Summer 2016 Theme was "CONNECTED"

We all enjoyed great food and singing in the dining hall. On top of all of this there was time to kick back and relax, plus free time to just hang out.

Morning watch, Bible exploration and staff Bible studies were focused on knowing and appreciating where we stand in Christ,

on our connection with the Body of Christ, and the challenge to reach out to our world that so desperately needs Christ.

The Cedarbrook family continues to grow. We look at what God has done in the past and what He is doing now with great joy. He is FAITHFUL! (and full of surprises). Continue to pray with us that God will grow this camp into what He wants it to be for His glory (and come on back if you have been away for a while). 🌿

NOTES FROM HAPPY CAMPERS

My family and I love Cedarbrook Camp!! My daughter and I attend their Mother daughter camp, we have attended their family camp weekend and my kids have attended summer camp! The staff is amazing and really pour their heart into making this a special place! I highly recommend this Camp to everyone! I love that it is small enough that you see the same families and staff every year and you are remembered and the kids are able to build lasting friendships with others! Now my boys are demanding a father-son weekend!

I went to camp here as a child, and was so excited to send my daughter for her first sleep-away camp. She had so much fun, made new friends, and had awesome outdoor adventures. I can't wait until next year when her brother can go with her. Love Cedarbrook!!!!

My 8 year old son went for the first time this summer and he can't stop talking about how much he loves it. His top 3 favorite things: Bible Exploration (Bible study with the cabin groups), Morning Watch (personal devotion time), and crafts (his morning activity choice). It's been so fun to hear all the things he learned and to see how much he matured while away for only a few days. He was scared about sleeping outside for a night under the stars but he had an amazing counselor who encouraged him and slept right next to him so he felt safe! Thanks Bronco! My son came home with more confidence and his love for the Lord and His Word is clearly evident. Thanks Cedarbrook Camp CA. Can't wait for next year!

AND MORE NOTES FROM HAPPY CAMPERS

I went to this camp when I was younger and had such an amazing experience while there. Now my younger sister and niece are both counselors, and I sent my two sons for the first time this summer. They had the best time over the weekend and really connected with the other kids and their counselor. They are already begging me to be able to go next year for the whole week! I am definitely going to send them. If you are looking for a place for your kids to have a great time, be close with God, enjoy the beauty of nature and make memories that will last a lifetime then this is the place!

My boy's second year at Cedarbrook Camp. He looks forward to it all year. He understands everyone is Christian and that makes him very happy and comfortable.

This was my daughter's first time at the camp this year and she had an amazing time. She's 12 and I was unsure about sending her as she's my baby girl and she has never been away that long from her family and she had the best time. She learned so much and has lots of memories and met so many friends. She can't wait to go back next year. I didn't know it only goes to age 13, I wish it went for a little longer of an older age group, I think kids need this. Again, I want to thank all the staff and counselors. God Bless you all. (FYI - Cedarbrook Camp goes up through 12th grade - Cedarbrook Staff)
