## WHY CEDARBROOK?

Cedarbrook Camp Southern California offers an exciting outdoor experience that increases skills and builds confidence, all within a Christ-centered program. We belong to a family of 14 Cedarbrook Camps located across the USA and are accredited by the American Camp Association. Cedarbrook has been serving campers in Southern California since 1946 as a non-denominational Christian camp for boys and girls entering grades 3 to 12.

## CAMP FOR ALL AGES

Options to attend camp may include a weekend, a week, two weeks or more in any combination. See the website at [www.CedarbrookCampCA.org](http://www.CedarbrookCampCA.org) for further details. Cedarbrook's multi-age program allows siblings to attend camp together. Campers are grouped by grade for cabin assignments and activities.

## SUMMER FUN!

Our camp experience is about trying new things, exploring nature and having fun! We offer a wide variety of activities that vary each summer so no two summers are the same. The possibilities are from A to Z: Archery - basketball - canoeing - cook outs - crafts - creek walking - hiking - mountain biking - music - nature fun - outdoor games - sign language - sleep outs - swimming - ukulele - volleyball - zigzag trails!

## SPIRITUAL GROWTH

Cedarbrook Camp's Christ centered community creates an environment where campers learn about God in a natural setting through daily Bible Exploration, activities integrated with the Bible, dynamic campfire messages and cabin devotions. Everyone participates in a daily quiet time called Morning Watch, where time is spent alone with God reading His Word, thinking about how it applies, and praying.

## A DAY IN CAMP, A LIFE-LONG IMPACT

Camp is a great place to make lifelong friends! We keep our cabin groups small and offer many guided opportunities for campers to build friendships with their cabin mates. Many friendships made at camp last a lifetime!

## CILT (CAMPERS IN LEADERSHIP TRAINING)

This program is for those campers wanting to make an impact on others while serving God and gaining a deeper personal relationship with Christ. It consists of two weeks and a weekend of camp for two consecutive summers, plus some weekends in between. When a camper graduates from this, they will be well equipped to be a leader, both at camp and at home.
